percentage - 90%

PROFILE

Motivated and enthusiastic recent graduate with a Bachelor's degree-seeking an opportunity to leverage my skills in web development. Eager to apply my knowledge of HTML, CSS, JavaScript, and modern frameworks like React.js to contribute to the design and development of dynamic and user-friendly websites. Seeking a challenging role where I can grow professionally and make meaningful contributions to innovative projects.

WORK EXPERIENCE / INTERNSHIPS

Web Development Intern

Internpe- Virtual Internship Dec 2023 – Jan 2024

- Assisted in developing Front-End components using HTML, CSS, and JavaScript ensuring a seamless user experience.
- Worked closely with the back-end developer to integrate user-facing elements with server-side logic.

PROJECTS

PGLIFE

DEC 2023 - JAN 2024

PGLIFE is a web application simplifying the search for paying guest accommodations. Developed using HTML, CSS, JavaScript, PHP, DBMS, and ReactJS, it features advanced search, interactive maps, and user authentication. PGLIFE demonstrates my full-stack development skills and user focused design approach.

E-COMMERCE WEBSITE

NOV 2023 - DEC 2023

The main objective of an E-Commerce website developed with HTML, CSS, and JavaScript is to create a user friendly and visually appealing online platform for buying and selling products.
